

MAGA Tournament Cancellation Policy

Reviewed by Board 6-23-2016

The MAGA Member must notify the Tournament Chairman (another board member if he cannot locate the Tournament Chairman), that he and his guests cannot play by Thursday before the Saturday or Sunday tournament. No penalty incurred but we do not want people doing this too often.

After Thursday the following applies:

1. You reach the Tournament Chairman and he gets a wait list player to take your places-

No penalty.

2. You reach the Tournament Chairman and there is no one on the wait list to take your places-

If the Course charges the club for you or your guests, **you must reimburse the club this amount.**

If the Course does not charge us for you, **No penalty, only once per year.**

3. You no show at a tournament without giving the Tournament Chairman time to replace you-

If there was a waiting list- you owe green fees whether or not the course charges the club (for preventing a fellow MAGA Member from playing).

If there was a no waiting list and the Course does not charge us for you, **No penalty, only once per year.**

4. The Board can vote to pay for players fees from the general fund for a good excuse.

Ex- car crash, illness, family trauma, etc.
